Ballots have been sent out for the Committee on Instruction and Faculty Development. Two faculty members are to be elected from each division. Only two people were nominated from the Humanities Division. V. Bonelli and A. Pomerantz. Therefore, they are declared elected. The candidates for the Careers Division are Professors Baron, Canada, Ghafoor, and O'Riordan. The candidates for the Science and Technology Division are Professors Alpert, Christian, and Squitieri. Ballots should be returned to Prof. Miller by May 27.

The New Disciplinary Committee procedures are effective immediately. They call for 2 faculty, 2 students and 1 person appointed by the President. The present committee was reduced by lot to conform with this. The new committee includes faculty members J. Suarez and J. Todorow, and students R. Baskerville and M. Montanes. Alternates are R. Canals (faculty) and L. McLane (student).

At a previous meeting the Committee had ruled that a faculty member on Travia leave is eligible to vote in College elections. However, Dean Fuller has made available a letter from Mary P. Bass, General Counsel for Legal Affairs, sent to the Associate Dean for Faculty Relations of City College, dated April 18, 1977, regarding this matter. In the letter, Mary Bass states that "a person on Travia leave may not vote in a departmental election, unless the governance plan of the college provides otherwise." Therefore the ruling of the Committee does not apply to departmental elections.

The questions of having students serve on the College P&B, and the Academic Review Committee, and the question of establishing an ethics committee were postponed until next September.

The following motion regarding the Calendar Committee was approved by the Committee: "To affirm the continued existence of the Calendar Committee, with membership comprising the four senior deans, the three division coordinators, the registrar, a representative of PSC-CUNY, and the College Senate Chair, as liaison to the College Senate. The calendar is to be presented to the Senate for approval."

Dr. Pomerantz reported that the Committee has been asked to decide on the allocation of funds for tutoring.

FROM THE SENATE FLOOR: As a point of information, it was asked if this function is listed in the Governance Plan. In discussion, it was stated that this function is not in the Governance Plan. A suggestion was made that it be submitted to the Committee on Governance and Elections to be formalized and submitted for approval by the Senate.

Dr. Pomerantz further reported that the Committee was preparing a final report on the Spring Survey of faculty evaluations of the College.

The Dean's reception for the Science and Technology division will be held on May 20.

An ad hoc committee on campus disruptions was accepted by the UFS without debate.

Cuts in the Mayor's budget will mean $8 million in cuts for the Community Colleges, and possibly $6 million
more if the Mayor is not able to impose all the taxes he has proposed.

The UPS held elections. Many of the current officers were re-elected. Dr. Galub will provide names of the new officers.

g) University Student Senate

a) Ombudsperson - Report and Election

Dr. Juechter reported on the activities of the Ombudsperson's office. Dr. Lieblich noted that the office is still listed as 'Ombudsman' in the Governance Plan, and this should be corrected.

Before the election for Ombudsperson, it was noted that for this office, each student senator's vote is counted as three votes for this office. Each faculty senator's vote would be counted as one vote.

J. Juechter and K. Fogarty were nominated.

The vote was: K. Fogarty 39
J. Juechter 15

absentions 2

Dr. Lieblich thanked Dr. Juechter for the wonderful job she has done as Ombudsperson.
