- Creative Writers
- Society of Plastics Engineers
The next IOC meeting is scheduled for Thursday, November 13, 2008 from 12-2pm. This meeting will ratify attendance for club participation in the Fall Semester of 2008.

The BCC Association Budget Committee has voted to suspend the budgets of all clubs that are not in current standing with the IOC Executive Office, therefore this meeting is critical.

I commend you on your efforts to ensure that clubs exist here at BCC and I look forward to working with each of you in order to sustain club participation here at BCC.

Respectfully Submitted,

Roslyn Gillespie
7.1 Withdrawal from a course.

- 7.1.1 Time constraints on withdrawals. Students wishing to withdraw from any course in which they are registered, may do so at any time prior to completion of the tenth week of all instruction and evaluative procedures for the course.

- 7.1.2 Procedures for student-initiated withdrawal. The process for withdrawal shall be determined by the Registrar. To initiate an official withdrawal from a course, students must submit a Withdrawal Request to the Registrar’s Office using the mechanism provided by the College. Instructors will be provided with a mechanism to assign, within three business days, the grades of W or WF. If an instructor does not assign a W or WF within the specified time period, a W will be assigned. If a student has been previously debarred and received a W or WU grade, the instructor will be able to indicate on the Withdrawal Request whether he/she is willing to reinstate the student and assign a W grade to that student. If an instructor does not respond to the Withdrawal Request, the student will be reinstated and a W will be assigned.

- 7.1.3 Student-initiated withdrawal grades. Grades Issued upon Initiation of Course Withdrawal Procedures shall be as follows:
  - Through the end of the registration period no grade is assigned. The date of the end of the registration period is determined by the Registrar.
  - After the end of the registration period (generally after the third week of classes) and through the tenth week of classes, only the grades of W or WF may be given for individual course withdrawals. If a student is withdrawing from all courses that he/she is taking for that semester, the withdrawal will be considered a total withdrawal and all W’s will be given for all courses taken for the semester in accordance with the total withdrawal policy.
After the tenth week of classes, in cases of extreme emergencies (which must be documented), students may be allowed to totally withdraw from classes (leave of absence) for the semester with the approval of the Vice-President of Student Development (see section 7.4.3).

7.4 Withdrawal from the College.

7.4.1 Procedure prior to end of registration.
Students wishing to withdraw from the College (leave of absence) prior to the end of the registration period, must officially apply for a leave through the Registrar's Office using the mechanism provided by the College.

7.4.2 Procedure through the tenth week of classes.
Students wishing to withdraw from College (leave of absence) after the end of the registration period, must officially apply for such a leave through the Registrar's Office using the mechanism provided by the College. This procedure is effective from the fourth through and including the tenth (10th) week of classes only.

7.4.3 Procedure after the tenth week of classes.
In cases of extreme emergencies (which must be documented), students may be allowed to totally withdraw from classes (leave of absence) for the semester with the approval of the Vice President of Student Development.

7.4.4 Grades affecting Leaves of Absence.
Students who officially withdraw from the College after the change of program period receive grades of W in all courses for which they are registered. A student who officially withdraws from the College may face financial aid penalties as a result of the withdrawal.

Sections 7.4.3, 7.4.4 and 7.4.5 become 7.4.4, 7.4.5 and 7.4.6 respectively.
8.2. Grading requirements in Special Curricula

8.2.3 Animal Care management (new section)

The minimum acceptable grade in Bio 15 (Zoology) is a C+. Students will be allowed two attempts to achieve the C+ grade. If a student takes the course two times, the two grades will be averaged for the final course grade.

8.6.5 Makeup examination application procedure.

Students who for unavoidable reasons miss a regularly scheduled final examination in a course, must apply to their instructor for permission to take a make-up examination. Students shall arrange a mutually convenient date with the instructor of the course for the make-up examination.
